

2021 Transition Support for iCollege Students

iCollege recognise the importance of students receiving support as they encounter post-16 transitions to college. Some students may find it challenging to leave iCollege and return to a mainstream college environment.

We are delighted that Reading College will be offering transition sessions to reduce the possible anxiety experienced by students who will be joining them in September '21. All iCollege students who have submitted applications to Reading College will be invited to attend all or some of the transition sessions.

If it is helpful, these sessions can be supported by iCollege staff:

Jo Watts, Ali Haynes or Sarah Maggs can meet with students at Reading College. In situations where transport may be a barrier to attendance, it may be possible to offer assistance.

Reading College Transition Sessions

Three Wednesday sessions have been offered by Reading College:

Timings 10am -12noon

Dates:

- 21st July
- 28th July
- 4th August

Please contact Ali Haynes at ahaynes@icollege.org.uk or 07464895993 to discuss any support which may be needed to access sessions.

If students would like to know more about the content of these sessions, please email the organizer, Zoe Grant on zoe.grant1@activatelearning.ac.uk
