Home Learning

The most important consideration at this time is to look after your family's well-being. Part of that will include setting up a daily routine including various 'learning' activities. The government have launched two sites with a range of daily lessons on them: <https://www.bbc.co.uk/bitesize> and <https://www.thenational.academy/> you will need to choose the correct year group and then your child can access numerous lessons. Also don't forget Purple Mash which you are already using has a range of activities across the whole curriculum. Each week we will continue to send you specific work via our online learning email and we would love it if you could send us back pictures of your learning please.

Below are more useful suggestions:

PE	Joe Wickes fitness Dance lessons	https://www.thebodycoach.com/blog/pe-with-joe-1254.html https://ddmixforschools.com/
Maths	Mymaths you will need your password Times Table Rock stars Complete your paper work booklets Whiterose Maths lessons for every year group Mini maths video to watch and focus on the areas you find tricky	https://www.mymaths.co.uk/ https://trockstars.com/home https://whiterosemaths.com/homelearning/ https://myminimaths.co.uk/
English	Complete your paper work booklets Pobble 365-Daily literacy exercises Monster phonics: daily phonics practice Spelling city: Daily spelling Reading: Please read daily. Ask us if you need more books. You can also get free ebooks from the library and many authors are reading online daily	https://www.pobble365.com/ https://monsterphonics.com/ https://www.spellingcity.com/spelling-games-vocabulary-games.html# http://info.westberks.gov.uk/35201 https://home.oxfordowl.co.uk/ https://www.worldofdavidwalliams.com/activities/
Science	Read and complete activities in your science magazines that we have sent home Mystery science: Daily lessons Science at work: linking Science to jobs Nature Detectives outdoor activities	https://mysteryscience.com/school-closure-planning https://learning.sciencemuseumgroup.org.uk/resources/?type=at-home https://pstt.org.uk/resources/curriculum-materials/Science-at-Work http://www.treetoolsforschools.org.uk/menu/
